Ghost 320 - Special Edition

11 metri di eccellenza ingegneristica ed energia sportiva distinguono il Ghost 320 Special Edition, modello ammiraglio di GreenRib dotato di doppio motore Mercury 400 V 10, videocamera notturna e connettività hi-tech per una navigazione potente e affidabile. Non un semplice gommone ma una vera e propria icona del mare che coniuga le prestazioni elevate e il design sofisticato con il comfort di spazi generosi e funzionali completi di cabina e servizi.

11 meters of engineering excellence and sporty energy distinguish the Ghost 320 Special Edition, GreenRib's flagship model equipped with twin Mercury 400 V 10 engines, a night vision camera, and high-tech connectivity for a powerful and reliable navigation experience. More than a simple inflatable boat, this a a true icon of the seas, combining exceptional performance and sophisticated design with the utmost comfort of its generous and functional spaces, including an en suite cabin.
